Maximum coverage rate	18,000 ft ² / 1700 m ² /hr
Cleaning width (side broom)	27 in / 690 mm
Side broom	12 in / 300 mm
Pushing force	4.8 lb / 2.2 kg
Construction	polyethylene / steel

QUICK-AND-EASY WORRY-FREE SWEEPING.

The Model 110 effectively sweeps a variety of surfaces, from concrete, tile and wood to brick, asphalt and carpet.

Featuring a 27 in / 690 mm sweeping path, the Model 110 fits through standard doorways and requires no batteries to charge or cords to plug.

Large, long-life hopper

The 1.7 ft³ / 48 liter hopper efficiently collects dirt and debris, and is constructed of high density polyethylene to resist dents and cracks.

Easy-to-maintain brushes

Main and side brushes can be adjusted without tools for different cleaning surfaces and longer bristle wear.

Wide variety of uses

The Model 110 sweeper is ideal for parking lots, manufacturing facilities, noise sensitive environments like retail and educational facilities, and office buildings and hospitals.
